**If you are doing this as the First Class Cooking requirement 4a-e, please read the requirement in your book and do this properly if you want the work to count for your advancement.**

**Remember:** We normally break camp and make an early departure to return home Sunday. If you plan a Sunday Breakfast that requires cooking and cleanup, be prepared to get yourself and your assistants up early so we can still leave on time.

**Senior Patrol Leader to approve and initial this menu and duty roster prior to food being bought.**      **SPL initials:**                      **Date:**

**Do not make any changes after your patrol has approved the menu, and the Senior patrol leader has initialed unless agreed to by your patrol and SPL.**
